Partner Response:
<ul style="list-style-type: none"> • A stable, sustainable economy, the visitor economy, thriving town centres, land for development and jobs were identified as high priority for economic development by the respondents. The response is category 6: The Moray Economic Partnership is helping to prepare an area growth bid for consideration by the UK Government and the Scottish Government and these comments will inform its direction. <p>More information about Economic Development</p> <p>The local government's role in Economic Development is guided by the Scottish Government's priorities and strategies. In partnership with organisations across all sectors, the Council is working on a strategic plan and operational level to maximise economic benefits through its strategies, decision making, investment and services.
