Partner Response:
<ul style="list-style-type: none"> • On the suggestion to reduce support for economic development activities, the response is category 5 - that in general public sector expenditure has reduced significantly since the economic downturn of 2008. In managing reductions the Moray Economic Partnership is working together to focus on agreed priorities to grow and diversify the local economy to support incomes and make Moray an attractive place to live, work and visit also to ensure Moray is not left behind other locations. <p>More information about Economic Development</p> <p>The local government's role in Economic Development is guided by the Scottish Government's priorities and strategies. In partnership with organisations across all sectors, the Council is working on a strategic plan and operational level to maximise economic benefits through its strategies, decision making, investment and services.
