1. Welcome	GL (Chair) opened the meeting.
2. Purpose of meeting	Single item agenda to discuss the UK Shared Prosperity Fund list of priority projects.
3.	<p>JG spoke to the UK Shared Prosperity Fund paper previously circulated to MEP members.</p> <p>MEP members discussed the priorities within the list of projects as set out in the paper. It was agreed to remove the Childcare project (which was seen as a longer-term project with a different solution to what was detailed) and to allocate this funding provision to the 'Key Social Enterprise Development Support Post' project within the Business Support sub-group instead.</p> <p>MEP members agreed the full list of recommended projects on this basis.</p>
4.	GL thanked everyone for their attendance and brought the meeting to a close.
